- (D) Notes issued under the Programme may be issued either (1) pursuant to the Base Prospectus describing the Programme and Final Terms describing the final terms of the particular Tranche of Notes or (2) pursuant to a prospectus (the “**Drawdown Prospectus**”) relating to the particular Tranche of Notes which may be constituted either (a) by a single document or (b) by a registration document, a securities note and, if applicable, a summary.
- (E) The Notes issued under the programme may be issued in global form, represented by Global Notes or may also be issued in dematerialised form through the electronic book-entry system managed by Monte Titoli S.p.A. (“**Monte Titoli**”) or any other relevant Clearing System (“**Dematerialised Instruments**”).
- (F) Mediobanca wishes to make arrangements for the protection of the interests of Accountholders (as defined below) in the event that any Global Note representing the Notes to be issued from now on under the Programme becomes void in accordance with its terms and/or in the case of Dematerialised Instruments, a Relevant Event occurs.

2.1.1 If any Global Note representing all or part of a Tranche of Notes issued by Mediobanca becomes void in accordance with its terms, each Accountholder shall have against Mediobanca all rights ("**Direct Rights**") which such Accountholder would have had in respect of such Notes if immediately before the Determination Date in relation to that Global Note, it had been the Holder of Definitive Notes of that Tranche, duly executed, authenticated and issued, in an aggregate principal amount equal to the Principal Amount of such Accountholder's Entries relating to such Global Note including (without limitation) the right to receive all payments due at any time in respect of such Definitive Notes as if such Definitive Notes had (where required by the Conditions) been duly presented and (where required by the Conditions) surrendered on the due date in accordance with the Conditions.
